EDUCATION

Manav Rachna International Institute of Research & Studies

Jul 2022 – Jun 2026

Bachelor of Technology in Computer Science **CGPA: 7.88**

Faridabad, India

EXPERIENCE

UIX Labs

Jan 2026 – Present

Software Development Engineer (SDE) Intern

Gurugram, Haryana

- Developed and optimized web application features using **Next.js**, improving performance and user experience.
- Contributed to the **Pika Resume** project by implementing new features and building responsive website pages.
- Worked on designing and refining resume templates to enhance usability and visual consistency across the platform.

Harkeswanen

Aug 2025 – Present

Full Stack Development Intern

Remote

- Improved user interface design, enhancing usability and overall user experience across the web platform.
- Contributed to front-end development using **React** and prepared backend systems for database management and API integration.
- Collaborating on upcoming backend features to ensure scalable and efficient solutions.

PROJECTS

Interviewd | React, Azure OpenAI, Tailwind, Firebase

- Built an AI-driven mock interview system used by **30+** users and optimized the end-to-end interview workflow.
- Implemented adaptive answering system that dynamically increases question difficulty based on user performance.
- Integrated **Chart.js** for real-time visual feedback on performance trends and improvement areas.
- Achieved **92%** answer accuracy, reduced load time by **65%**, and increased completion rates by **38%**.

Persona AI | OpenAI API, LangChain, JavaScript

- Designed an AI persona system with a consistent communication tone using OpenAI and LangChain.
- Created structured prompts to improve response clarity, quality, and user experience.

SKILLS

Languages: HTML, CSS, JavaScript, C++

Frameworks/Libraries: React, Next.js, Tailwind CSS

Tools & Platforms: Git, GitHub, Vercel, Firebase, Azure OpenAI
