EDUCATION

Manav Rachna International Institute Of Research And Studies

B.Tech in Computer Science - CGPA - 7.88/10.0

2022 – 2026

Faridabad, India

INTERNSHIP

DfreeNovelish

June 2025 – August 2025

Operational Executive Intern

Remote

- Conducted data scraping of multiple media companies to collect and analyze digital presence.
- Measured and evaluated website performance using tools such as GTMetrix and performed social media analytics for competitor insights.
- Designed engaging posts and creatives on Canva to support brand visibility and outreach.
- Executed email marketing campaigns targeting media companies, resulting in improved engagement and outreach.
- Awarded a **Certificate of Excellence in Email Marketing** for outstanding performance, recognized among top-performing interns.

PROJECTS

MockMate 🗑️ | React.js, Azure OpenAI, Tailwind CSS, Firebase Auth

- Developed an AI-powered mock interview platform using Azure OpenAI (GPT-4o), serving **30+** users across universities.
- Integrated webcam posture analysis with real-time feedback, achieving **92%** accuracy and reducing load time by **65%**.
- Generated PDF performance reports, improving user engagement by **45%** and completion rates by **38%**.

Persona AI | OpenAI API, LangChain, JavaScript

- Engineered a persona-driven AI system replicating the teaching style, tone, and explanations of a technical mentor.
- Designed custom system prompts and context injection for mentor-like, reliable AI responses across queries.
- Fine-tuned role instructions to maintain personality consistency, increasing trust and usability of the AI.
